## Show Report I

This is one of my favorite times in the show year because this is when you CONA Club Members get involved. There are two things that should happen now:

1. Dan C. has the Worker Sign-Up Binder so you can begin to sign in for the jobs you would like to do at the show. If you are not sure what to do, there is a General Help Committee sheet in the front of the binder. Come to the Registration Table at the show and find out where you are needed. If you are not able to attend the June, July or August meetings or the Club Picnic, please contact Dan C. at 614-648-3454 or [reply.2.daniel@gmail.com](mailto:reply.2.daniel@gmail.com), or Patty Cass at 614-571-2745 or [pcass@columbus.rr.com](mailto:pcass@columbus.rr.com) and we will write you in the book and assemble your name badge. Based on the response from dealers, we think this could be the best show we've ever had. We will need everyone's help so please sign up!

2. Geoff G. is working on getting the raffle tickets ready to hand out. Please check with Geoff to pick yours up at the meetings or at the picnic. This is always a big fundraiser and we appreciate your picking them up rather than Geoff mailing them. Thanks for taking care of this, Geoff.

3. We have a real need this year for 2 or 3 people to go up to Marion on Wednesday to pick up the cases and lights and someone to return them to Marion on Tuesday after the show. The number needed is not as large as in some years, but we will need to rent a truck. Please ask Dan if you have questions about this very important project. Thanks!

I hope to be able to come to the July meeting and hope to see you all then.

Thanks for all your help, Green Hats! I always appreciate working with you. -- **Patty Cass**

## Show Report II

Our show is quickly approaching; I'm inviting all members to take part. This is our 22nd year and we have established a good reputation within the coin community. We are known as the Green Hats. The hats came about because our first show was on such a tight budget that we couldn't afford club shirts but we wanted dealers and guests to know we were available to help answer question and concerns. The hats were purchased, I think, at the Yankee Trader in downtown Columbus for very little cost but with a high visibility to dealers and members to the show.

All are encouraged to take part in our show's operations. I will have sign-up sheets at the June, July, August meeting as well as the club picnic. There are many ways to participate; Members may sign up for a few hours or every day of the show to help out. There are no special requirements for the tasks, only a desire for members to help out. We can pair members new to the show with members that have worked previous shows.

We would like to see anyone interested in working to sign up for a task. We will never ask more of anyone that they are comfortable doing. Some jobs do not require physical work, just interaction with dealers and guests. Come to the show, don our signature green hat and see the behind the scenes working of a coin show. You can sign up for one or as many tasks as you want to try. — **Dan C.**
